Re: Norman Robert Keyser

Dear Mr. Harchar:

Thank you for your letter of March 24th and the enclosed correspondence from Paul Parker, concerning Mr. Keyser. We have placed this information in our file and have taken steps to have his name deleted from our records.

We would very much appreciate your sending us more documentation such as a written note from the boys involved or from their parents. This is most important for future reference and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

Enclosed is a confidential record sheet which we will appreciate your filling out and returning to us as soon as possible, together with the above requested information. This information will enable us to indentify Mr. Keyser should he ever again attempt to register in the Scouting program.

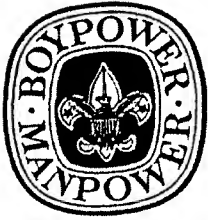

Sincerely,

Paul Ernst, Supervisor
